Target language	there is / there are, in / on / under / next to / between, some / any	The same, and "Hi Kasun," at the start
Length	At least 50 words	At least 80 words

Common mistakes to look for

- "There is two rooms" should be **There are** two rooms.
- "There are a bed" should be **There is** a bed.
- "The book is in the table" should be **on** the table.
- "There are any books" in a positive sentence: use **some**. Use **any** in negatives and questions.
- No greeting or no name at the end of the email.

Giving marks

> Give each student a short mark out of 10 for each task: content (3), target language (3), spelling and grammar (2), organisation (2). Students' own answers will be different from the model answer. That is fine.
