Spelling rules for -s and -ed (your teacher will go through these)

- **Most verbs:** just add -s or -ed: work → works → worked.
- **Ends in e:** add only -d: like → liked, live → lived.
- **Consonant + y:** y becomes i: study → studies → studied, carry → carries → carried. (vowel + y stays: play → played.)
- **Short word, one vowel, one consonant:** double the last letter for -ed: stop → stopped, plan → planned.
- **Ends in s, sh, ch, x, o:** add -es: watch → watches, wash → washes, go → goes.

Remember

- After **did / didn't** use V1 (the base form): I didn't **go**. Did you **see** it? (not "didn't went")
- **V3 never stands alone.** Say "I have seen" or "It was seen", not "I seen".
- Check V1, V2 and V3 of a new verb in the dictionary every time you meet it.
