Foundation 1: the parts of speech

Parts of speech

Every English word has a job. Learn the 8 jobs, one at a time, so you can read and build any sentence.

1 The 8 parts of speech at a glance

Part	Its job	Examples
Noun	a person, place, thing or idea	teacher, Galle, book, rice
Pronoun	takes the place of a noun	I, you, he, she, it, we, they
Verb	an action or a state	eat, study, go, is, have
Adjective	describes a noun	big, happy, red, new
Adverb	describes a verb: how, when, how often	quickly, always, very, today
Preposition	shows place or time	in, on, at, under, before
Conjunction	joins words or sentences	and, but, or, so, because
Interjection	shows a feeling	Oh! Wow! Oops!

2 1. Noun

- A name of a person, place, thing or idea. Proper nouns (Nimal, Galle, Monday) start with a capital letter.
- Countable: one book, two books. Uncountable: water, rice, money, advice (no -s).
- Example: My **sister** buys **rice** in **Galle**.

3 2. Pronoun

- Used so we do not repeat a noun: Nimal likes **his** phone. (not "Nimal likes Nimal's phone")
- I, you, he, she, it, we, they (before a verb) and me, him, her, us, them (after a verb).
- Example: **She** called **me** and **we** talked.

4 3. Verb

- An action (run, study) or a state (be, have, like).
- Helping verbs (do, does, did, will, can) go before the main verb: She **does** not like tea. I **can** swim.
- Example: Kasun **plays** cricket and **is** happy.

5 4. Adjective

- Describes a noun and comes before it, or after be: a **big** house; The house is **big**.
- Never add -s: two red cars (not reds cars).
- Example: She has a **new** phone and a **small** bag.

6 5. Adverb

- Describes a verb, an adjective or another adverb. Many end in -ly: slow → slowly. Irregular: good → **well**.
- Always, usually, often, never go before the main verb, but after be: I **always** drink tea. She is **always** late.
- Example: He drives **very carefully today**.

7 6. Preposition

- Shows place, time or direction: in, on, at, under, next to, between, before, after, to, from.
- After a preposition use a noun, pronoun or -ing form: good **at** swimming.
- Example: The book is **on** the table **in** my room.

8 7. Conjunction

- Joins words or parts of a sentence: **and** (add), **but** (contrast), **or** (choice), **so** (result), **because** (reason).
- Example: I was tired **so** I slept, **but** I woke up early.
- Each joining word gets its own lesson in the coming weeks.

9 8. Interjection

- A word for a feeling, usually with !: **Wow! Oops! Ouch! Hurray!**
- Use it in speaking and informal writing, not in a formal email.
- Example: **Oops!** I forgot my pen.

10 What job does the word in bold do?

Write noun, pronoun, verb, adjective, adverb, preposition, conjunction or interjection.

1. My **sister** works in a hospital. _____
2. We **study** English every day. _____
